*Experienced Touring & Live Events Executive with 20+ years in global production, creative direction, and logistics management. Currently serving as Director of Specialized Touring at Timeline Touring x Live Nation, leading large-scale tours, family entertainment, influencer events, and branded live experiences across North America and beyond. Founder of A Wright World, a concierge and tour direction company specializing in luxury lifestyle management, touring logistics, and executive travel. The company bridges creative vision and operational execution - serving artists, executives, and brands seeking seamless, high-touch support on and off the road.*

*I also founded A Wright Network, a 3,000-member community connecting live-event professionals to over 2,000+ roles across touring, production, and creative industries.*

*Core Competencies: • Tour Management & Production Leadership • Creative Strategy & Show Development • Budgeting, Accounting & Settlements • Vendor, Crew & Talent Coordination • Sponsorships, Partnerships & Brand Activations • Team Building, Mentorship & Operations Known for combining creative vision with financial precision, I specialize in turning complex concepts into executable, profitable experiences. Open to consulting, executive, and partnership opportunities across live entertainment, experiential marketing, and event strategy.*
